South Lodge is a non-smoking B&B and
we regret we do not take pets, but....

Please note for the comfort and safety of ourselves and our guests South Lodge Guest House is strictly a *"No Smoking"* and regret we are not able to take pets.

However, there are several B&Bs in Broadstairs that do take pets and these can be found on <http://www.visitbroadstairs.co.uk/pets.html>

An alternative may be to leave your pet(s) with James and Liz Langton Way only a few minutes walk from South Lodge.

They set up Friendly Paws™ in 1999, when they reached the decision never to send their own dogs to kennels. Realising that many other pet owners probably felt the same, they launched their personal and experienced house and pet sitting service. Theirs was the first private home in Thanet to be legally licensed to board animals.

FriendlyPaws is successful with plenty of repeat and word-of-mouth new business. James is a retired police officer and Liz is a journalist. Neither will see 55 again, but that is as much as you need to know on that subject!

They will look after your pets in their own home in Broadstairs.

While specialising in dogs, over the years Liz and James have looked after a wide variety of other animals from horses and donkeys to sheep as well as parrots and caged rats, chickens and cats (in their own home).

The wide variety of dogs that have been in their care over the years is amazing. These include Leonburgers, Irish Wolfhounds, Great Danes, Labradors, Spaniels, Retrievers, Miniature Dachshunds, Collies, Staffies, GSDs, Mastiffs and Wiemeraners as well as a number of Heinz 57s.

"A Surprise Family get Together.."

A real warm welcome at the South Lodge Guest House, Broadstairs Kent. We arrived here for a big family party at my cousins house. We had a lovely big room with a really comfortable bed. A good tea/coffee tray with biscuits in our room. Breakfast was truly unique a full continental breakfast. With a good choice of cheeses, hams and salami. Home made bread. Plenty of choice with cereals including porridge. Breakfast was started with a gorgeous fruit smoothie.
