Laundry

As one would expect all guests are supplied with fresh bedding, towels and flannels on arrival.

Everyone staying for more than 4 nights is offered a change of bedding during their stay. We have adopted an eco friendly policy, (*we have a solar water heating system installed*), so as our guest wish, we change the bedding after 3 to 7 nights use.

If you require fresh towels at any time during your stay please leave your used ones on the floor and fresh ones will be provided.

Please DO NOT take the bath towels to the beach. We have a supply of beach towels for our guests which we will be pleased to provide them for you, do ask if you would like to use them.

If we can help at all with other laundry matters please don't hesitate to ask.

We have an area where shoes and clothes can be left overnight to dry if needed.
